PLEASE READ THIS ENTIRE DOCUMENT CAREFULLY BEFORE SIGNING. All participants must sign this document. For participants under 18 yrs. of age or who have a legal guardian, one or both parent(s) or legal guardian(s) must also sign. The following includes some, but not all of those risks, hazards and dangers:

Remote locations present risks including delays and difficulties with communication, transportation, evacuation and medical care. Medical facilities may be hours or even days away from the program location. Travel may be by foot, motor vehicle, boat, kayak, horse, bicycle or other means and can be over rough and hazardous terrain. Conduct risks include the potential that the participant, other participants, or third parties (e.g. general public, rescue personnel, or medical personnel) may act carelessly or recklessly.

These and other risks, hazards and dangers may result in participants falling, being struck, colliding with objects or people, experiencing vehicle collision, being thrown or falling from horse, drowning, reacting to weather conditions or increased exertion, suffering complications or allergic reactions, becoming disoriented, or experiencing other problems. These and other circumstances may cause hyperthermia, hypothermia, dehydration, heart or lung complications, broken bones, head injury, paralysis, or other injury, damage, death or loss.

Participant is voluntarily participating with knowledge of the risks. **Eagle Mount**  
BOZEMAN, MONTANA

**PARENT HANDBOOK**

Welcome to Eagle Mount!

**OUR MISSION:**  
Eagle Mount Bozeman is committed to provide quality therapeutic recreational opportunities for people with disabilities or cancer, and to provide support for families of participants so that "...they shall mount up with wings as eagles." (Isaiah 40:31)

**IS EAGLE MOUNT RIGHT FOR MY CHILD?**  
As the parent of a child with special needs, you want to do the very best for your child. Therapeutic recreation may be an effective element of your child's overall program, but it is just one of many different kinds of beneficial activities or therapies you may want to consider. If you have any questions about what therapeutic recreation can offer, you are always welcome to talk with our staff.  
Eagle Mount's goal is to make sure everyone can have a successful recreational experience. Not every child likes to swim, or to ride or garden. If your child does not enjoy the first program he or she tries, it might be that he or she will do well in a different program. We can work with you and your child to explore alternatives.

**HOW ACTIVELY SHOULD I BE INVOLVED?**  
It's your call. Eagle Mount welcomes your involvement. Observe your child riding, swimming, or come along on the ski lesson and let us know what you see. You are the one who knows your child best, including what kind of day he or she has had, special interests, likes and dislikes, behavior patterns, and more. Eagle Mount also understands that parents of children with diverse abilities are very busy. If you need to run an errand while your child is in the pool or the riding arena, we understand. But we hope you'll take a few minutes to talk with the instructor or the volunteers working with your child, before or after the lesson.

**Eagle Mount serves people of all ages with all kinds of disabilities - developmental/intellectual, physical, and cognitive.**  
If an individual has a disability that affects his or her ability to function at home, at work, or at school, he or she is eligible for Eagle Mount programs and services. Mental health issues may be a secondary, but not the primary, diagnosis. Eligibility guidelines can be found inside, or you can contact the Eagle Mount office to discuss your child's needs and enrollment.

## Parents and Guardians!!

Guidelines and code of conduct can be found in the parent handbook.

Policies on scholarship, refunds and attendance can be found in the application packet or at [www.eaglemount.org](http://www.eaglemount.org)
